Cat® Classic™ Parts

Cat Classic Parts provide owners of older Cat equipment with low cost replacement parts that offer quality and convenience that can be trusted. Cat machines and engines have long, productive lives. As. the equipment ages, maintenance costs often need to be re-evaluated, taking the remaining market value into consideration. Cat Classic Parts are lower-cost, genuine Cat parts that provide acceptable service life for older Cat equipment. Not all Cat original parts have a Classic Parts option. The Classic Parts Line generally contains parts that have a greater impact on the overall Repair costs. Together with Cat original and remanufactured parts, Cat Classic Parts help Caterpillar offer value-priced Repair alternatives over the entire product life cycle.

Benefits

- Lower owning and operating costs for older Cat equipment
- Standard Caterpillar parts warranty
- One stop shopping for all parts needs
- Quality controlled parts: Cat Classic parts approved by Caterpillar engineers, ensuRing the part will meet form, fit, or function. Quality control procedures in place at parts locations to ensure highest quality parts are delivered.
- Parts provided from the name you can trust - Cat

Cat Classic Parts Overview

Cat Classic Parts Product Book

This Cat Classic Parts Product Book contains the Line of Classic Parts available for Cat machines and engines. The Classic Parts Overview section of this manual provides you with detailed information to help your customer make an informed decision on which Type of part to purchase. The next nine sections contain a cross reference between Cat Classic part numbers and Cat original part numbers categorized by product family and models. This section is further broken down into the model numbers of specific Cat machines and engines. The Literature Reference section provides a reference of available promotional material for Cat Classic Parts information. The Part Cross-Reference section at the End of the catalog details the available parts in numerical order.

Warranty

Cat Classic Parts are backed by the standard Caterpillar parts warranty. This warranty covers the parts for a six month time period. The warranty statement should be referenced for general information on the overall warranty terms. Dealers should reference the relevant parts warranty bulletin for additional specific details about Classic Parts warranty.

Undercarriage Assurance (3 years/4,000 hours) is now offered for Cat Classic Major moving undercarriage parts. Enrollment requirements will be the same As. for Cat premium undercarriage products.

Additional Information

For more information on the Cat Classic Parts product Line, customers should visit the Classic Parts section of www.cat.com.

Dealers, please use your CWS ID to access the global Classic Parts websites. They are contained within the Product Support area of your Cat regional internet websites under Parts Products. Types of information that can be found on these pages include the following: advertising/promotional material, cost comparisons, presentations, a video explaining Classic parts, and appropriate Cat Classic parts contacts.

Cat Classic Parts for Backhoe Loaders

Cat backhoe loaders are designed for maximum performance and durability in any application. Caterpillar has been deliveRing industry-leading digging forces with this product Line since its introduction. However, As. with any aging equipment, maintenance costs need to be re-evaluated over time to ensure that maximum profitability is maintained. Cat Classic Parts are offered As. another solution to help keep these maintenance costs down for Caterpillar equipment. They are released for several models of backhoe loaders As. a competitively priced alternative to aftermarket parts.

Cat Classic Parts provide owners of older Caterpillar products with low cost Repair alternatives that minimize the risk associated with non-genuine parts.

Cat Classic Parts coverage for backhoe loaders includes:

- Engine
- Final Drive
- Hydraulics
- SteeRing
- Transmission
- ...and many more.

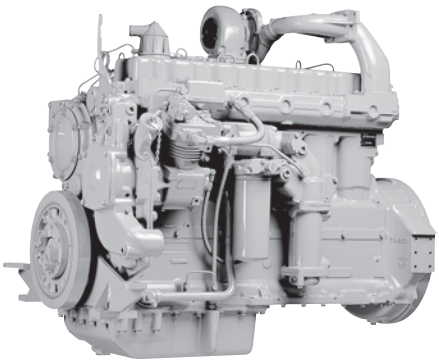
Cat Classic Parts for Older Engines



Cat Classic parts are available for the following Engine models: D353C/D/E; D379/B; D398/B; D399; G353D; G379; G398; G399. First produced by Caterpillar more than four decades ago, thousands of these engines are still heavily relied upon in a variety of petroleum, marine, and prime power applications. As. these engines age, maintenance costs sometimes need to be re-evaluated.

Cat Classic parts provide owners of older Cat products with low cost Repair alternatives that minimize the risk associated with non-genuine parts.

Cat Classic parts offeRings for engines include:

- Air, Manifold, & Outlet Elbows
- Cooler Core
- Cylinder Liner
- Front & Upper Manifolds
- Fuel Injection Lines & Pumps
- Fuel Transfer Pumps
- Gaskets
- Inlet & Exhaust Valves
- Pistons
- ...and many more.
