

# Cat<sup>®</sup> Hydraulic Oil Cooler Retrofit Kit for D11R and D11T Track-type Tractors

## Cooler Hydraulics in Hot Weather

The Cat<sup>®</sup> retrofit hydraulic oil cooler focuses on the concern that some hydraulic systems may run “hot” in warmer ambient conditions.

The retrofit kit replaces the original water-to-oil cooler with an air-to-oil cooler. The Cat hydraulic oil cooler retrofit kit is a fully integrated design, serviced and supported through the Cat distribution network.

# Cat® Hydraulic Oil Cooler Retrofit for D11R and D11T Track-Type Tractors

## Coverage
