\*Weekly cost is an estimate based on Caterpillar's manufacturer suggested resale price (MSRP) in Australia including finance for stated machines at 3.75% over 48 months and stated attachments at 3.75% over 36 months with 20% upfront deposit, inclusive of GST and stated in AUD. The MSRP is a non-binding suggested resale price, and Cat dealers may elect to offer a different price, which may be lower or higher. The estimate includes an allowance for machine inclusive of standard coupler and bucket(s) together with 3 year extended protection plan and dealer make-ready costs. The specific amounts of those costs are determined by Cat dealers in their sole discretion. Exact machine configuration held by Cat dealers may vary, and that may also affect the package price. Stock is limited and subject to availability.

^Two year factory backed warranty covers defects on material and workmanship on serialised and nomenclatured Cat attachments for 24 months from the date of first delivery. Refer to the Caterpillar Limited Warranty - Caterpillar Work Tools statement for further detail.

Offer ends 31 December 2023. Finance is subject to change.
