MAINTAIN PERFORMANCE AND REDUCE DOWNTIME

TAKE CARE OF YOUR TRUCK ENGINE, AND IT'LL TAKE CARE OF YOU

Your Cat® engine is the heart of your truck. It's built to work hard and run reliably mile after mile. Regular preventive maintenance — performed with products made just for your Cat truck engine — is key to keep it running for the long haul.

We make it easy to keep preventive maintenance on track with quality Cat products like oils, coolants, filters, and batteries. We also offer convenient preventive maintenance kits that package oils, filters and S•O•SSM Services sampling kits together.

Find the preventive maintenance products you need to keep your Cat truck engine running strong at any authorized Cat dealer or online at Parts.Cat.Com.

BATTERIES

Cat heavy duty batteries deliver sure starting power in extreme temperatures — so your truck can go all-out for the long haul. Cat heavy duty batteries are backed by a 24 month Caterpillar Limited Warranty.¹

Cat Deep Cycle and Starting Batteries are the industry's highest combined cold cranking amps (CCA) dual-purpose truck batteries. Cat batteries are tested more than the industry standard — 3-5 times longer than standard testing. They're excellent for:

- Long hauls
- Local runs
- Any application that requires extensive use of in-cab accessories
- Four-battery applications like sleepers, reefers, transit buses, RVs and school buses

Part Number	CCA	Reserve Capacity (Minutes)	Battery Class Indicator (BCI) Group Size
175-4370	825	190	GP31 with stud terminals

Cat Starting Batteries are designed for over-the-road applications where starts are infrequent and battery cycling is limited. They offer the industry's highest CCA rating.

Part Number	CCA	Reserve Capacity (Minutes)	BCI Group Size
175-4390	1000	180	GP31 with stud terminals

Cat 4D and 8D Batteries for buses, RVs and concrete mixers are maintenance free and feature exclusive flat tops.

Part Number	CCA	Reserve Capacity (Minutes)	BCI Group Size
153-5700	1125	301	4D
153-5710	1400 (industry highest)	425	4D
153-5720	1500 (industry highest)	465	8D
